

SUPPORTING CHURCHES

WHAT IS A SUPPORTING CHURCH?

A Supporting Church makes a commitment for one calendar year, to partner with Promise Keepers in promoting and forming a Group to attend the *Game On 2011* Event. As a result they receive extra benefits.

WHAT ARE THE BENEFITS?

Promise Keepers will –

1. Provide **one free registration** for the pastor of a Supporting Church to attend the *Game On 2011* Men's Event, including the Church for Men pastors' breakout on the Saturday morning. This registration is not transferable. It is provided because statistics show that Men's Ministries that are pastor-supported have a 91% likelihood of success. Promise Keepers sees this as a tangible investment in the ongoing development and growth of your Men's Ministry.
2. Provide **Coaching/Field Rep support** regarding the promotion of the *Game On 2011* Men's Event and helpful ideas for fundraising, roadtrips, etc.
3. Provide **priority support from our Group Registration Co-ordinator** to your Group Leader.
4. Send you a **Supporting Church certificate** for display in your church foyer.
5. List your church as a *Game On 2011* Supporting Church on the **Promise Keepers website**.

HOW DO WE BECOME A SUPPORTING CHURCH?

1. **Decide that your church will promote the Promise Keepers *Game On 2011* Men's Event.** The Strategy, with its simple week-by-week plan, is a promotional tool which gives proven results.
2. **Appoint a Group Leader to co-ordinate and register** your men as a Group for the Event. You can start a Group with only a few men, but eventually you will need a minimum of 7 men to qualify for the Group discount.
3. **Appoint a *Transition* Youth Event Co-ordinator** if you have a youth ministry, and promote both the *Transition* Event and the *Game On 2011* Men's Event to your emerging men (11-17 years). You can bring them as part of your Group or as a Group on their own.
4. **Sign and return the enclosed Supporting Churches Sign-up Form** to Promise Keepers.

Note: This is a commitment for the 2011 Event.

***Don't delay - commit to this Supporting Churches partnership today
by signing and returning the Sign-up Form.***
