

# WAR DEPARTMENT AIRCREW MANUAL

## Training For A Successful Mission

### HARNESSING SOME REAL HORSEPOWER

#### WARM UP

If you go to a horse pull, one individual horse can pull an 8,000 pound load. Another horse can pull a 9,000 pound load. How much can they pull together?

$8,000 + 9,000 = 17,000$

Well, this is not true. A good team together, the two horses can pull 28,000 pounds.

That is 11,000 pounds more than they can individually pull.

#### BACKGROUND

We live in a culture where we see ourselves in competition with others. Whether it's on the sports field or in the workplace, we often feel that to get ahead we need to beat the other guy. God doesn't want us to compete but complete each other. As a team we can achieve great things for God!

#### READ Ephesians 4:16

#### QUESTIONS FOR INTERACTION

1. How can we better support our Pastor and church leadership?
2. Is there someone outside of the church that we could really bless if we worked together?

3. What gifts do you have to contribute to the team?

4. What areas of your life could benefit from the power of this team?

#### CONSIDER THIS

“All your strength is in union, all your danger is in discord.”

Henry Wadsworth  
Longfellow

#### WRAP UP

Pray that God would reveal ways that you can play your part in His team.

#### IT'S TIME FOR PRAYER

#### MY RESPONSE AS A PROMISE KEEPER

I will offer my prayers and support to my Pastor.
