

# WHEN IN ROME

**Old Man/ New Man:** Walking in the Spirit as a man worthy to be called Christian.

## WARM UP

Two caterpillars were crawling across the grass when a butterfly flew over them. They looked up and one nudged the other and said, "You couldn't get me up in one of those things for a million dollars." Some men think this about Christian men.

## BACKGROUND

Paul appeals to his converts to leave their old way of life and to turn to Christ's way. He says they are darkened because of their ignorance. Today in NZ we see laws that are being made out of ignorance for what is right and for what is wrong. As men we need to be able to distinguish between right and wrong.
