Marriage Seminar

with Vince & Cindy D'Acchioli
from California USA

This dynamic event hosted by Vince and Cindy helps couples understand their differences, lay down baggage from their past, and gain tools to build a strong marriage that will last the distance.

At this seminar you will discover how men and women differ in four areas...

- Our past experiences
- Our physiological makeup
- Our fears and needs
- Our natural gifts

Vince and Cindy bring us their wisdom and experience from over 20 years of hosting marriage seminars, delivered with the humour that is Vince's trademark!
